NOTES

- 1.) Band will supply all 1/4" cables for guitars and synth.
- 2.) Please contact band if venue cannot provide mics (vocal and instrument), mic stands, XLRs, monitors, DI box, power adapters, or extension cords.
- 3.) Bass DI is direct XLR out from the bass amp head.
- 4.) In lieu of a wedge, drums can use monitor XLR to connect to in-ear monitor.
- 5.) Power requirement for monitors/venue sound is not included in the stage diagram.
- 6.) Drum mic setup is flexible dependent on venue and sound engineer.
- 7.) Downstage power is for pedal boards, wireless systems, and laptop.
